

GET-TOGETHER FOR OUR CANOSSIAN SENIOR SISTERS.

- organised by the Lay Canossian Junior group.

The morning started with an apt hymn for our sisters 'God will take care of you', followed by a relevant bible reading by Praxy and a message of gratitude especially for our senior sisters, by Yulanda. She reiterated that their lives have been a beautiful testimony of faith, prayer, sacrifice, dedication, and loving service and through the years, they touched countless lives with their wisdom, kindness, patience, and unwavering commitment to God and to the Canossian mission.

Everyone joined in singing 'May the Good Lord bless and keep you'. A meaningful sharing of thoughts and experiences followed with Lay Canossians asking some questions to our sisters.

A Message of Gratitude to Our Senior Sisters

Dear Reverend Sisters,

With hearts filled with gratitude and affection, we honour our beloved senior nuns of Canossa Convent who are above 70 years of age. Your lives have been a beautiful testimony of faith, prayer, sacrifice, dedication,

and loving service. Through the years, you have touched countless lives with your wisdom, kindness, patience, and unwavering commitment to God and to the Canossian mission. You are the living treasures of our community and a precious link to its rich history and traditions. Your presence continues to inspire us, and your prayers are a source of strength and blessing to all.

As we celebrate and honour you, we thank God for the gift of your lives and for all that you have given so generously. May the Lord bless you with good health, peace, joy, and abundant grace, and may you always feel deeply loved and cherished by the entire Canossian family.

With profound respect, love, and gratitude, we salute you and thank you for your beautiful lives of service.

With prayers and warmest wishes,

This was followed by coffee and delicious snacks organised by Sr Maggie. We relished the eats over an informal chit-chat with all sisters present. A fun game 'Passing the hat' was conducted soon after, by Karen, and 3 winners took home a prize. Gifts organised by Karen, were given to our senior sisters as a token of our love. On behalf of us Lay Canossians, Yulanda once again, sincerely thanked our elderly sisters for their many years of service to the community. The sisters prayed for us and gave us their blessings as we bade goodbye.
